

The background of the slide features a solid blue color with several horizontal, wavy, light blue lines that create a sense of motion or data flow. The lines vary in opacity and thickness, some appearing as thin, bright streaks while others are more diffuse and layered.

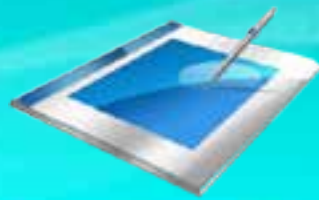

# Using ArcGIS Online for Mobile In a Water/Wastewater Utility

# Who am I?

Sr. GIS Specialist/Technical Lead  
For a Local Water/Wastewater Utility

# How & Why I use Mobile GIS

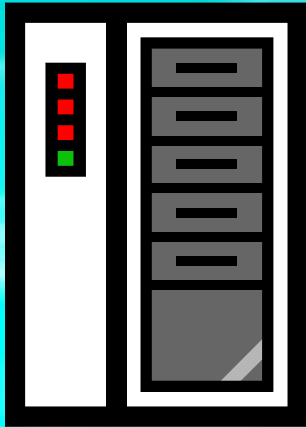

# Why ArcGIS Online for Orgs?

# Question #1

## Where to Store the Data

OR

# Question

## To Edit or not to Edit?

# Question?

## How to Sync the Data

Remember to keep  
this guy Happy

Keep everyone in the Loop on the project.
