

Esri National Security Summit

July 12–15, 2014 | San Diego, CA

ArcGIS for Server and Mobile GIS for Critical Incident Management

*Solomon Nimako, Senior GIS Analyst, Sergeant Phill Dupper,
Deputy Rudy Delgado, and Deputy David Rayenhartz
City of Rancho Cucamonga, CA*

Rancho Cucamonga Tactical Response & Rescue Training Unit

GRIZZLY CROSSING

**“Chaos, panic and fear
can only be minimized -
never eliminated - when it
is preceded by preparation
and planning.”**
