2013 Esri International User Conference
July 8–12, 2013 | San Diego, California

Technical Workshop

# ArcGIS for Law Enforcement: An Overview

Scott Oppmann

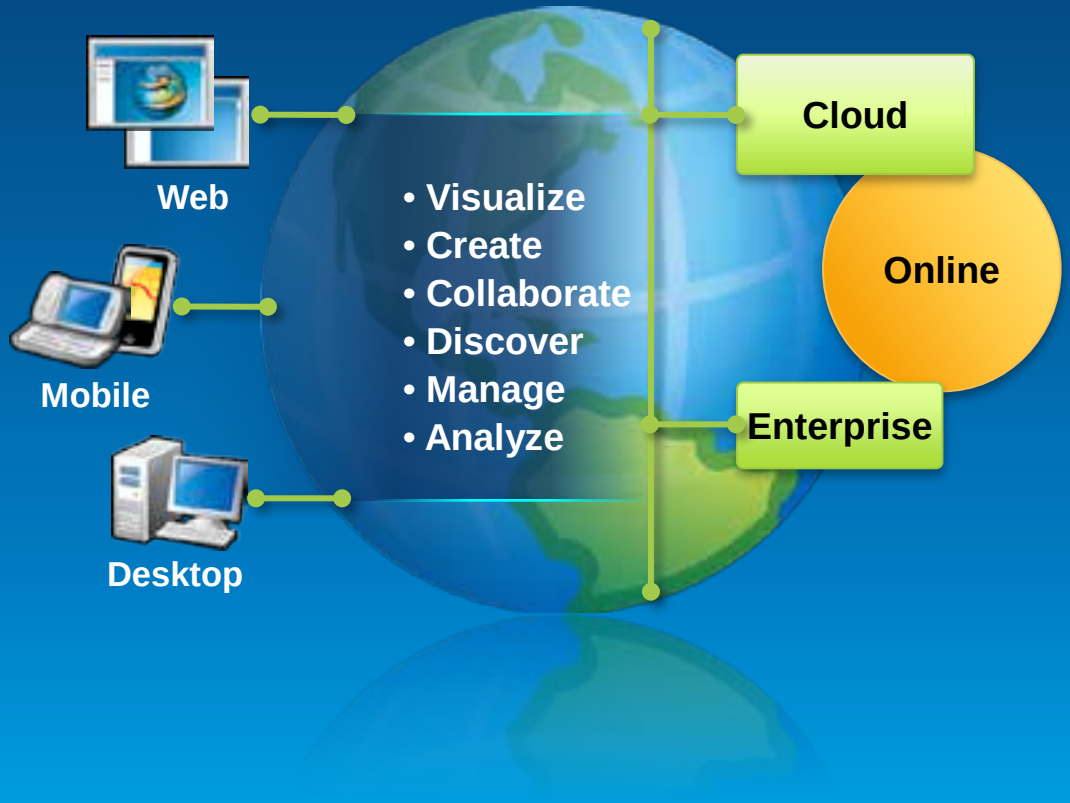
Robert Feuerstein

# Agenda

- Introduction
- Solution Offering
- Community
- What’s Next
- Your Feedback

# ArcGIS

**A Complete System for Geographic Information**



**ArcGIS Solutions**

- Local Government
- State Government
- Utilities
- Defense

# ArcGIS for Local Government

**A solution for Esri's local government customers**

- A series of useful maps and apps focused on local government work
  - Organized into domains
  - Extensible, configurable
  - Freely available and fully supported
  - A foundation for Partner solutions
- An online community
  - Best Practices / Implementation Support
- A network of Professional Services and Partner offerings
  - Help users implement, sustain and enhance

**…..Available on-premise and in the cloud**

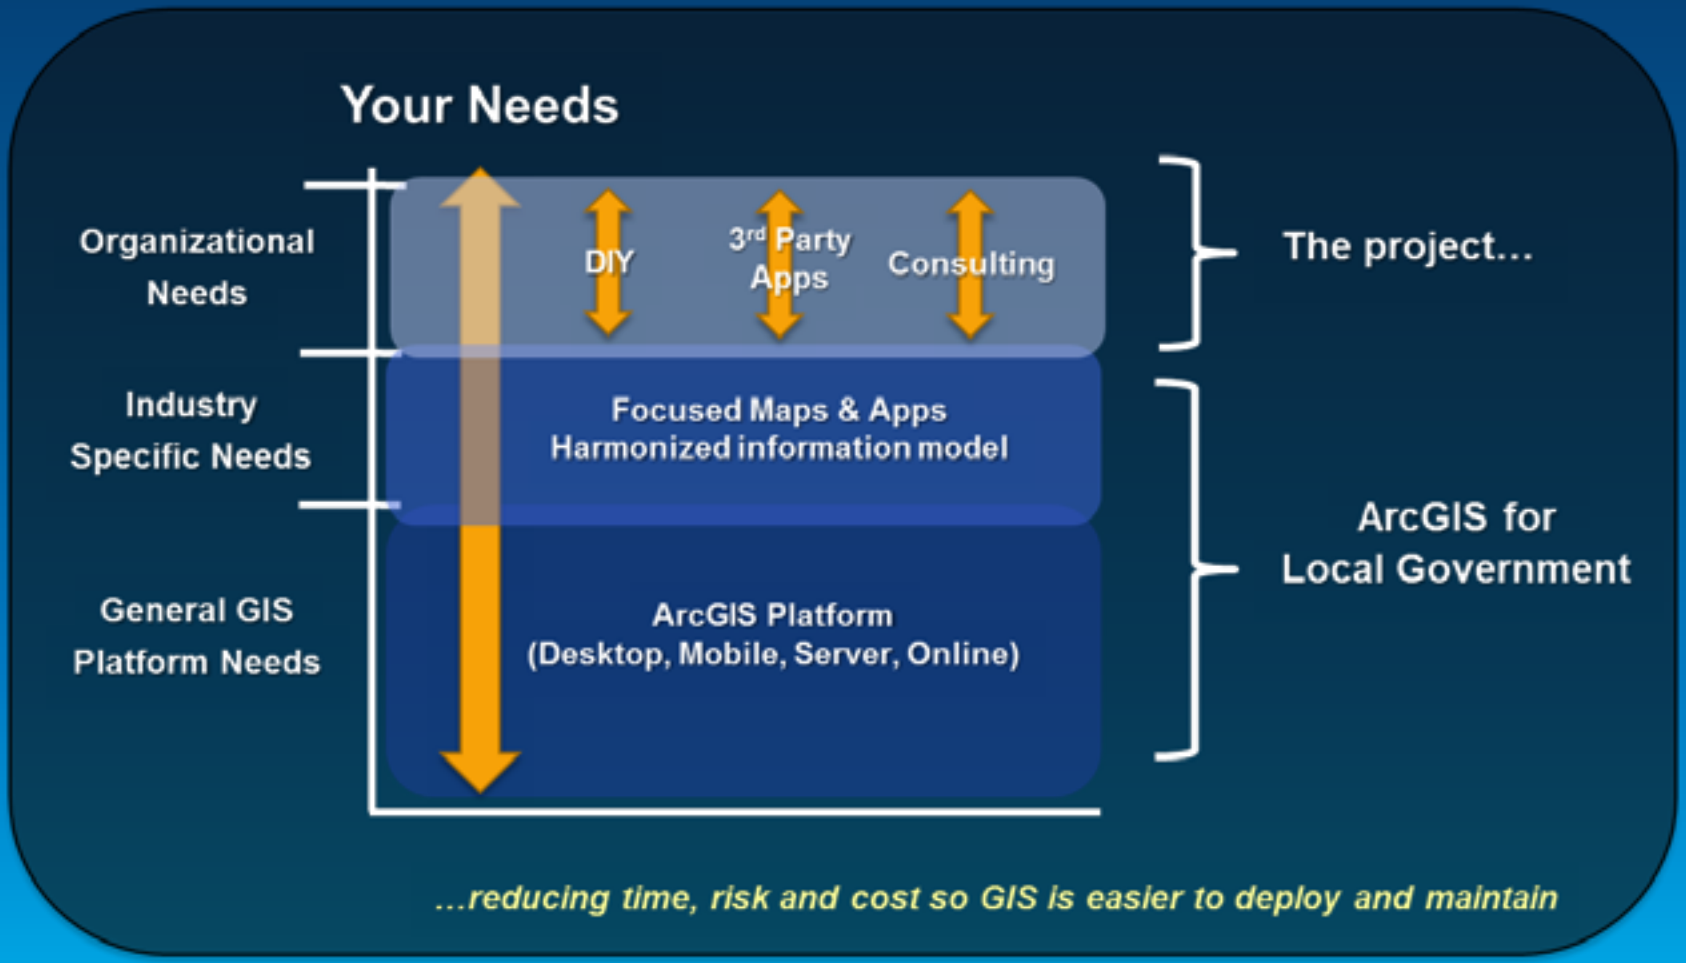
# Our Mission

**Help increase the value of GIS in local government organizations**

- Make it easier to deploy ArcGIS
  - Deliver applications quickly throughout your organization
  - Stay current with future releases / avoid legacy technology
  - Create a platform of geospatial data that can be leveraged by many
- Address common constraints in local government
  - Size and skills of staff
  - Budget and time available to implement
- Empower the community to contribute
  - Users
  - Partners

# ArcGIS for Local Government

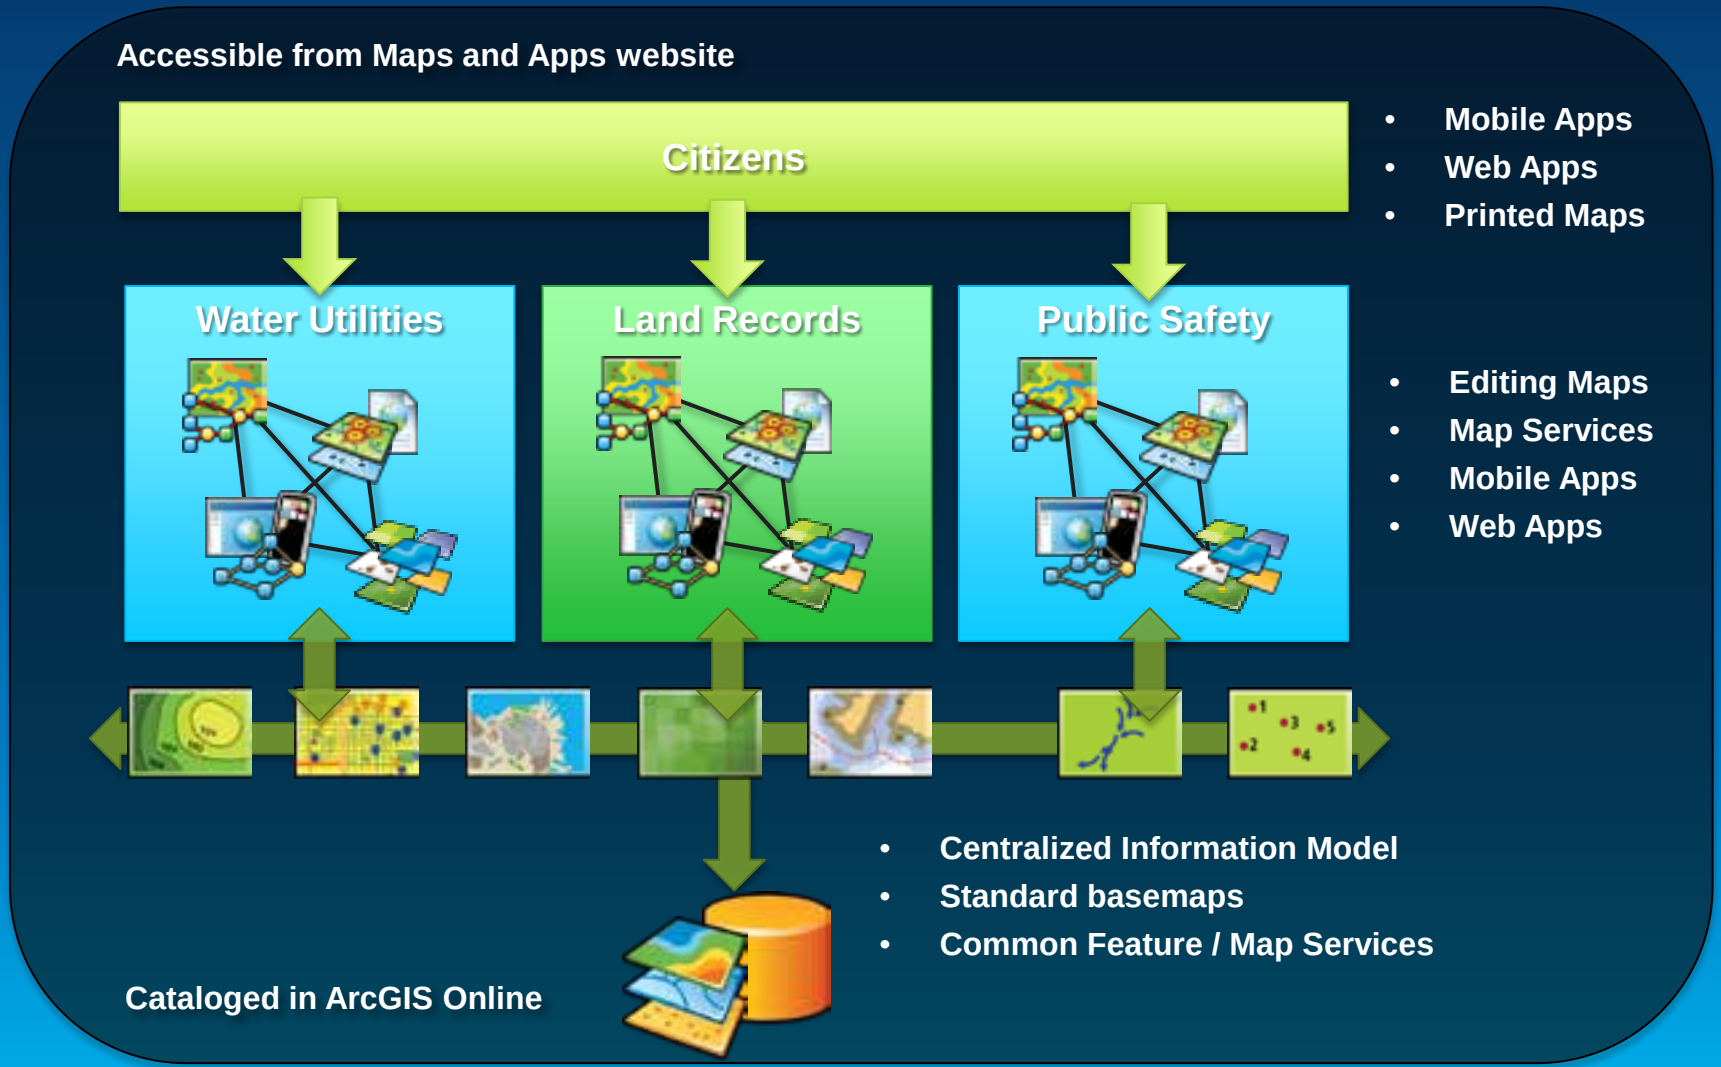
**Changing the way GIS is deployed**



# Demonstration

# A System View

## Deploying ArcGIS for Local Government



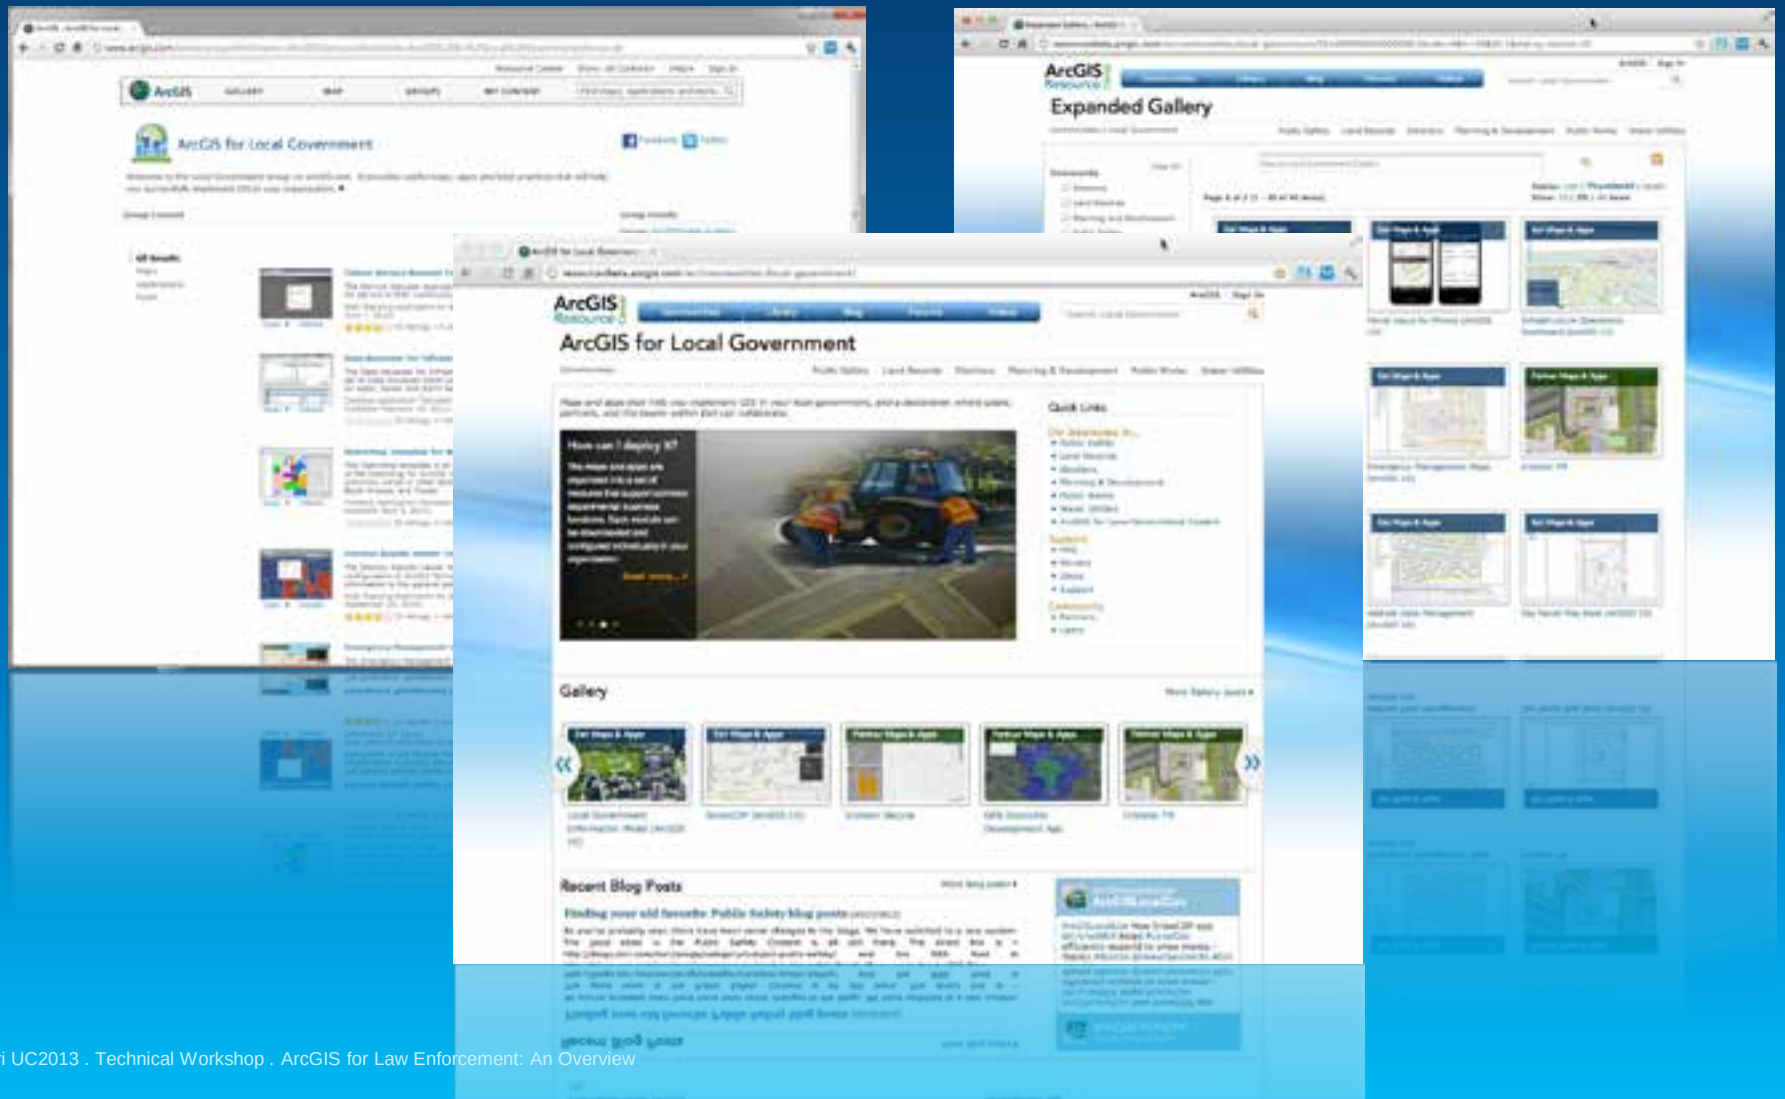
# Configurations Patterns

- Influential factors
  - COTS and configurable solutions strategy
  - Deployment time
  - Technical expertise
- Three configuration patterns
  - Complete system adoption
  - Publish and adopt
  - Sample code and customize
- Where do you start?
  - With your business requirements
  - Align them with maps and apps
  - Review system configuration patterns

# The Community

# Local Government Community

**A destination for the community to learn and collaborate**

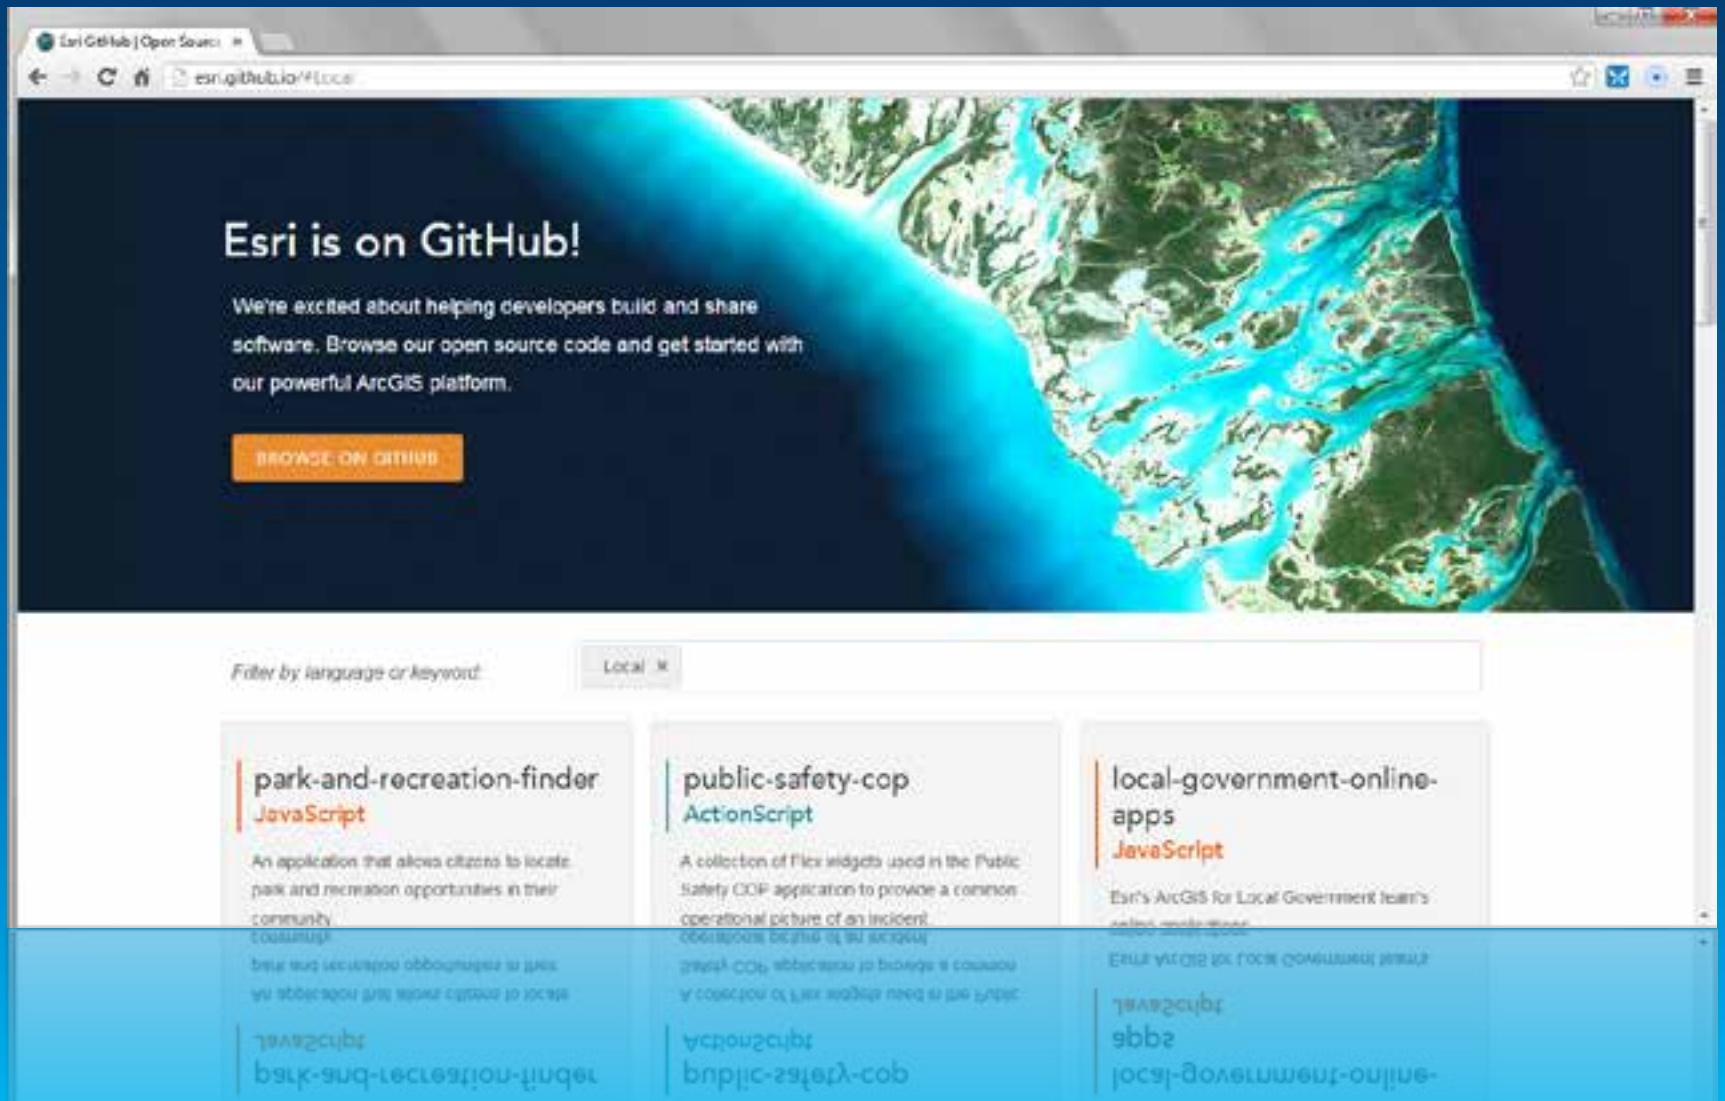


# Local Government Community

**An ongoing dialog where users can learn from peers and share their success stories**

# Local Government Community

**There's a place where developers can contribute too**



# What's Next

# Continuously Evolving – With 10.2

- New Maps and Apps
  - Cell Phone Analysis
  - Pre-Incident Planning
- Enhanced Maps and Apps
  - Citizen Service Request

# Continuously Evolving – Post 10.2

- New Maps and Apps
  - Data Management
  - Crime Mapping
  - Crime Analysis
- ArcGIS Online
  - Expanded model organization
  - Pre-Incident Planning web application template
- Continued Community Engagement
  - Meetups, videos, more help, etc.
  - New solution site
  - Expanded partner and professional services offerings
- Additional 10.2 Support
  - Pre-Incident Planning & Field Interview Card – Offline

# Closing

- Deliver a “law enforcement GIS” that enables success
  - Easier to deploy and sustain
- Evolve and grow the collection of apps
- Develop a community of users
- Don’t hesitate to ask for help

# Other Law Enforcement Sessions

Wednesday

- 10:15-11:30: ArcGIS for Law Enforcement: An Overview
- 4:00-4:30: Using the Pre-Incident Site Surveys Application for School Security

Thursday

- 10:30-11:00 July 11: ArcGIS Full Motion Video Capabilities for Public Safety

# *Questions*

Please fill out the session evaluation

*Offering ID: 1361*
