Reducing costs

Using geocoding analytically
Healthy Way LA Members assigned to LAC+USC with Out of Plan Servicing Facilities

- Institutional (5): 10 Miles
- Professional (9): 20 Miles
- I & P (3): 30 Miles
- LAC+USC (4): 40 Miles
- Member

The map indicates the locations of various facilities within a 40-mile radius. Facilities marked with different symbols and colors are classified by type and distance from the center of service areas. The map also highlights the concentration of facilities in certain areas, providing a visual representation of the servicerange for Healthy Way LA members.
• Reduce claims costs
• Move members closer to our network facilities
