Create a Briefing or Report
Tips or Takeaways
Configure the Briefing Book Application

• Verify the Portal for ArcGIS or ArcGIS Online Organization URL is correct

• Select a unique tag for your briefings and reports

• Don't use “localhost” to access your application

• Refer to documentation for more details
Tips or Takeaways

Author a Briefing or Report

- Use Chrome, Firefox and IE 10 to author a briefing or report
- Images must be accessible via URL
- Page layouts are designed for tablet devices not desktop computers
