INTernationalization and education

“infusing an international or intercultural dimension into the teaching, learning, research and service functions of higher education”

(Knight, 2006)

Importance of Internationalization

• Intensified interest in global matters
• Emphasis on student learning
• Rise of new majority student
INTERNATIONALIZATION AND EDUCATION

- Pull Factors for International Students (Mazzarol)
  - Knowledge and awareness of host country
  - Environment or “study climate”
  - Social links
A UOR VIEW

• Council For Comprehensive Internationalization (2013)
  • Preparing students for global engagement
  • Effective recruitment
  • Developing international characteristics
## Global opportunities

Where is Redlands? Everywhere. Our students and faculty members come from all over the world to fan out across the globe to learn, serve, research and work.

Every day our diverse pool of international and U.S.-based students takes advantage of internationalized study programs, vibrant study-abroad programs for both undergraduate and graduate study, international clubs and programming to craft their own global educations.
