Understanding the Basics: Common GIS Workflows

Rudy Prosser & Mike Flanagan
Common GIS workflows
Getting things done

- Project management & security
  - Groups & sharing
- Geodata
  - Geodatabase design
- Services
  - Creating empty feature services
- Apps
  - Using configurable apps
- Web map design
  - Symbology & functionality
- Web app design
- Field use
Common **ArcGIS Online** workflows

Getting things done

- Project management & security
  - Groups & sharing
- Geodata
  - Geodatabase design
