The JSON Behind Your Stories
Simple story map customizations

- Components of a story map
- Modifying a story configuration outside of builder
- Customization examples
- Resources
Components of a Story Map
Components of a Story Map

- Application (HTML / JS / CSS)
- Story Configuration (JSON)
- Media
Options for *hosting* Story Maps

- **App and configuration** hosted on ArcGIS Online

  OR

- **App on your web server** 
  
  **Configuration** on ArcGIS Online
Options for *customizing* Story Maps

**App and configuration** hosted on ArcGIS Online

Only the story configuration is editable for stories hosted in the Esri cloud, but you cannot modify the application code.

**OR**

**App on your web server**

*Configuration* on ArcGIS Online

The story configuration is editable for stories hosted on your own infrastructure, and you can modify the open source code (available on GitHub).
Modifying a story configuration
Warning!!
Using ArcGIS Online Assistant to safely edit a story configuration
