

Asset Management with Lucity at Oregon City Public Works

February 11, 2015

Presented by

Michael Poochke - Asset Management Specialist – City of Oregon City

Asset Management at Oregon City Public Works

Oregon City's Infrastructure and Assets

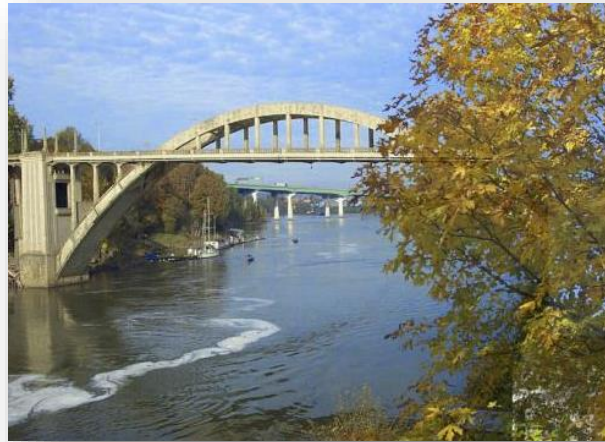

- 32,220 Citizens
- 137 Miles of Roads
- 5490 Street Signs
- 131 Miles of Gravity line Sewer pipes
- 6 Miles of Force main Sewer pipes
- 127 Miles of Storm pipes
- 3335 Manholes
- 169 Miles of Water pipes
- 27 Miles of Streams

Asset Management at Oregon City Public Works

Lucity Asset Management Program at Oregon City Public Works

- Lucity Software originally purchased in 2007
- Training was brought in and the software was deployed the same year
- Users were left on their own to use the product
- Without a champion or a dedicated resource the program was not used
- In 2010 a consultant was hired to configure and provide training as well as documenting processes and procedures
- In 2011 consultant was converted to a full time employee
- In 2013 Oregon City purchased the Lucity Web Map GIS component
