

Improved Road Scheme Planning with Highways England's Regional Programmes Map

Chris Spencer and Graham Phipp

The Problem

- Silo working
- No definitive list of schemes
- No knowledge of impact over entire route to customers

(1 of 5) ▶ □ ✕

HE Operations Schemes SE Ln

Operations Forward Programme:

M2 Brenley Corner Roundabout Lighting Renewal (PIN: 546309)

Lighting

(23/7/2018 - 2/11/2018)

Opportunities

Case Study: A404(M)/A404 Tech

Benefits

- Helping us plan better and work more **efficiently**.
- Assist in reducing **delays** through better planning and improving **customer satisfaction**.
- Reducing the amount of roadworks on our network therefore improving **lane availability**.
- Reducing risk to our road workers and helping reduce the **frequency of work related accidents**.
