Beane Cathedral Outside

D'abord, on va aller en Bourgogne, plus précisément à Beane et à un village voisin, Meursault. Ces deux endroits sont connus pour le vin et, bien sûr, pour une riche histoire bourguignonne dont vous avez fait la connaissance dans ce cours.

Florence Street Art

It seems like every alley has a piece of street art on it, illustrating an cultural trend, or displaying some type of message. It is art, rather than graffiti-- these artistic trends brings another layer of beauty and richness to Florence that I love.

6 The Divine Fishery, Dante

7 Now that's a backyard

8 Swimming in Elba

9 Medici Family Dynasty

10 Colosseum

11 Florence Street Art

12 Dante Continued

13 #Dante750 all summer

14 All those touristy things

Dante, as influential to Florence's history as some of the greatest artists (Leonardo, Michelangelo) can be seen in different aspects of Florentine culture. My favorite is street art, as it demonstrates the affects he still has on current culture.
