The Intelligence Collector...

Intelligence Support to Operations

Common Need for Spatial Context

Everyone is not a GIS professional!

It's easier than you think!!

Intelligence Support to Operations

Common Need for Spatial Context

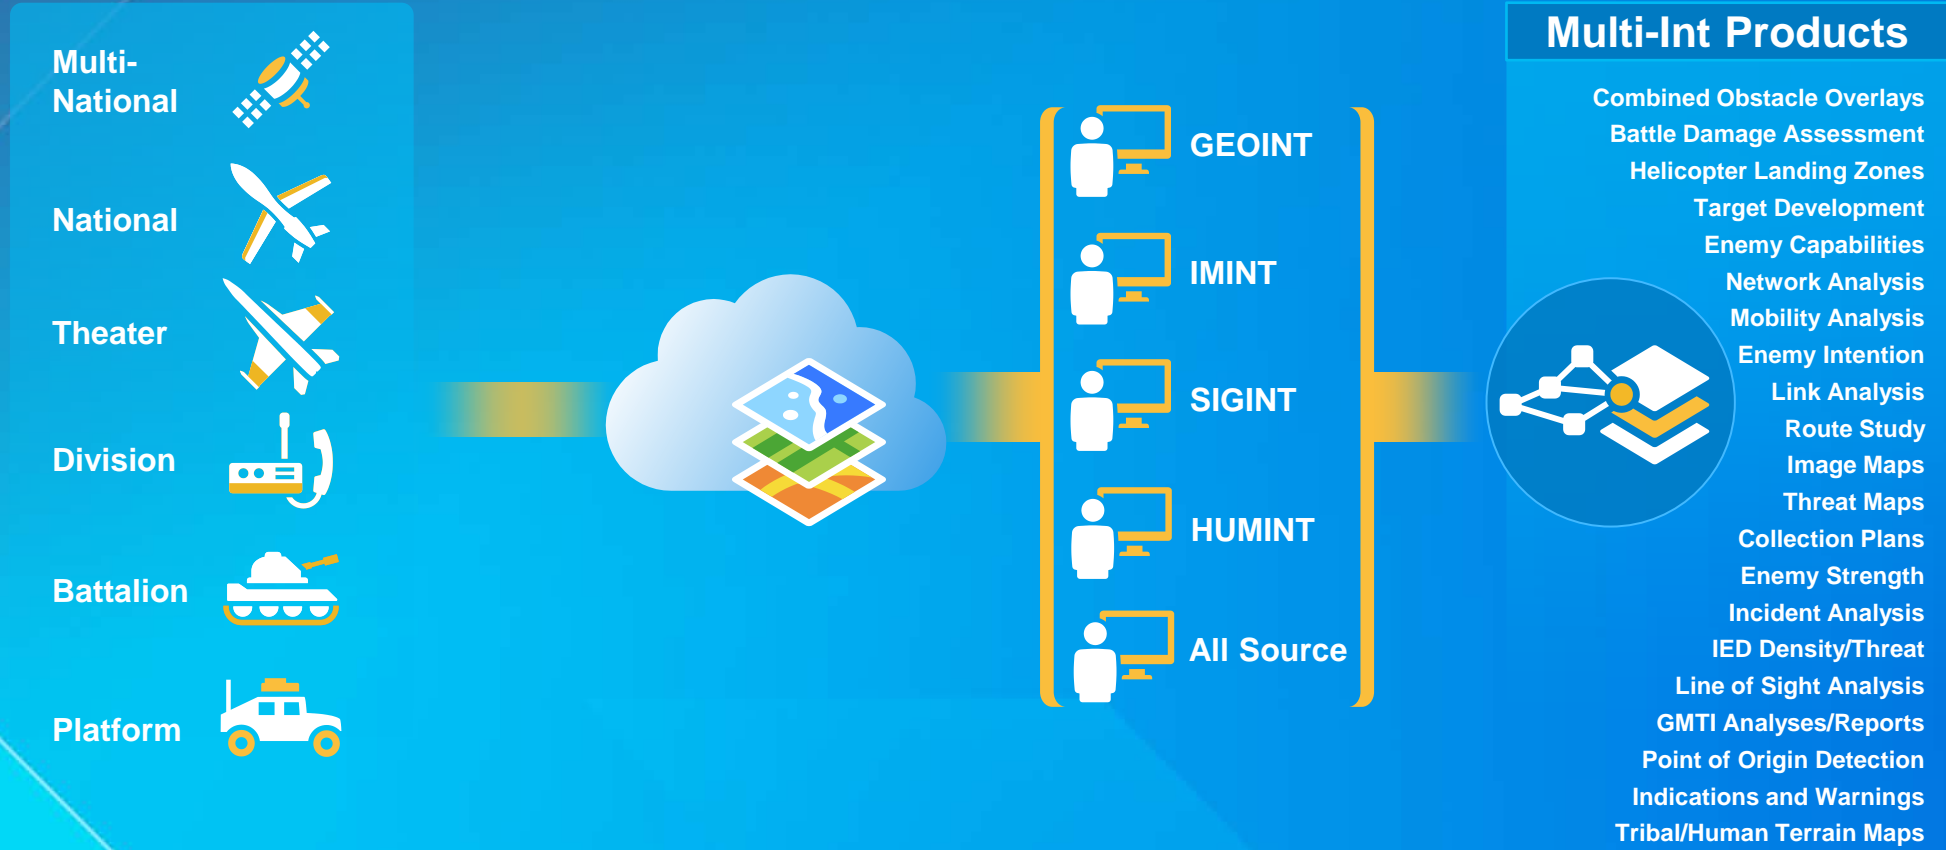

Everyone is not a GIS professional!

So, what do I need to know?

GIS is for Everyone!

Intelligence Platform

ArcGIS Can Provide the Intelligence Platform

From Raw Data to Finished Intelligence

What is a Template?

Fully documented and open source

- **Maps**
 - Useful examples of standard information products
 - MPK, Web Maps etc..
- **Tools**
 - Standalone Tools or scripts
- **Services**
 - Map, Image, Geoprocessing, Event Processing
- **Application Configurations**

**Templates are not new technology!
Instead they are built on what you already have and use.**

Our Community

Geospatially Enabling the Intelligence Collector

Everyone is not a GIS professional!

So, what do I need to know?

How do I get started?

Let's talk about WebGIS

A Web GIS Integrates All Data Types

With Web Maps and Web Services

Brings together Foundational and Operational Layers

ArcGIS Is a Platform...

Enabling Web GIS Everywhere

Simple
Integrated
Open

*Available in the Cloud . . .
. . . and On-Premises*

Providing the Common Operating Picture

Mission Command

Movement & Maneuver

Intelligence

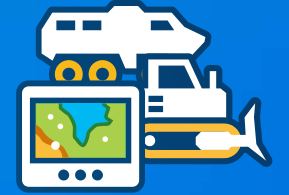

Fires

Sustainment & Logistics

Protection

Operational Environment

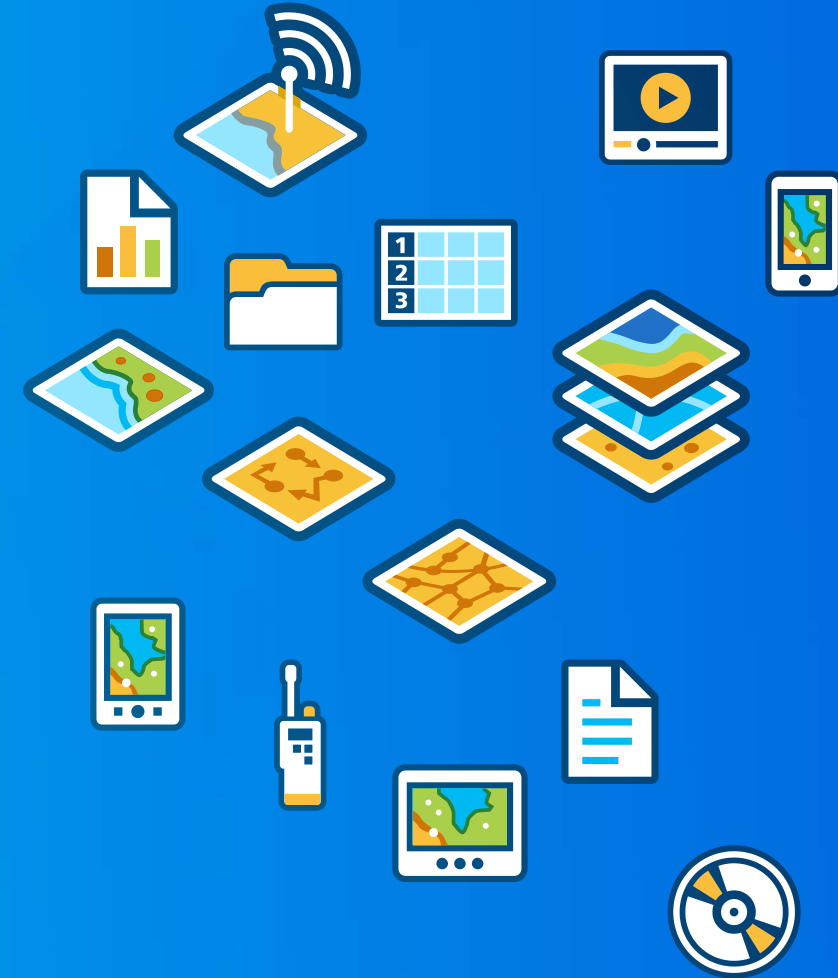

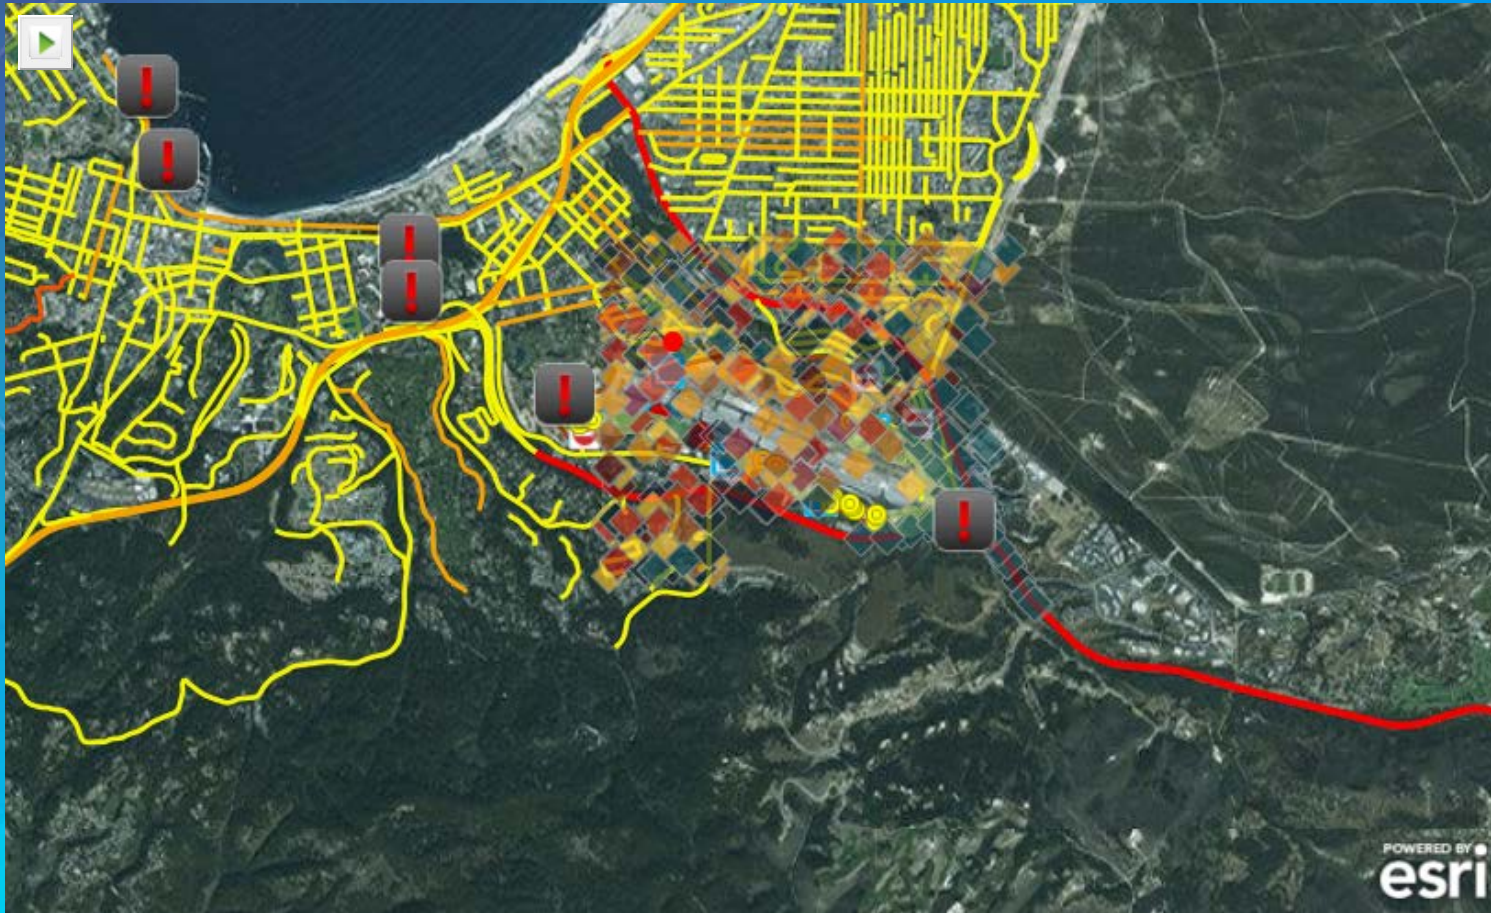

Portal

...supporting the warfighting functions

Intelligence Says What?

Communicate the Analysis.....

Monterey Airport

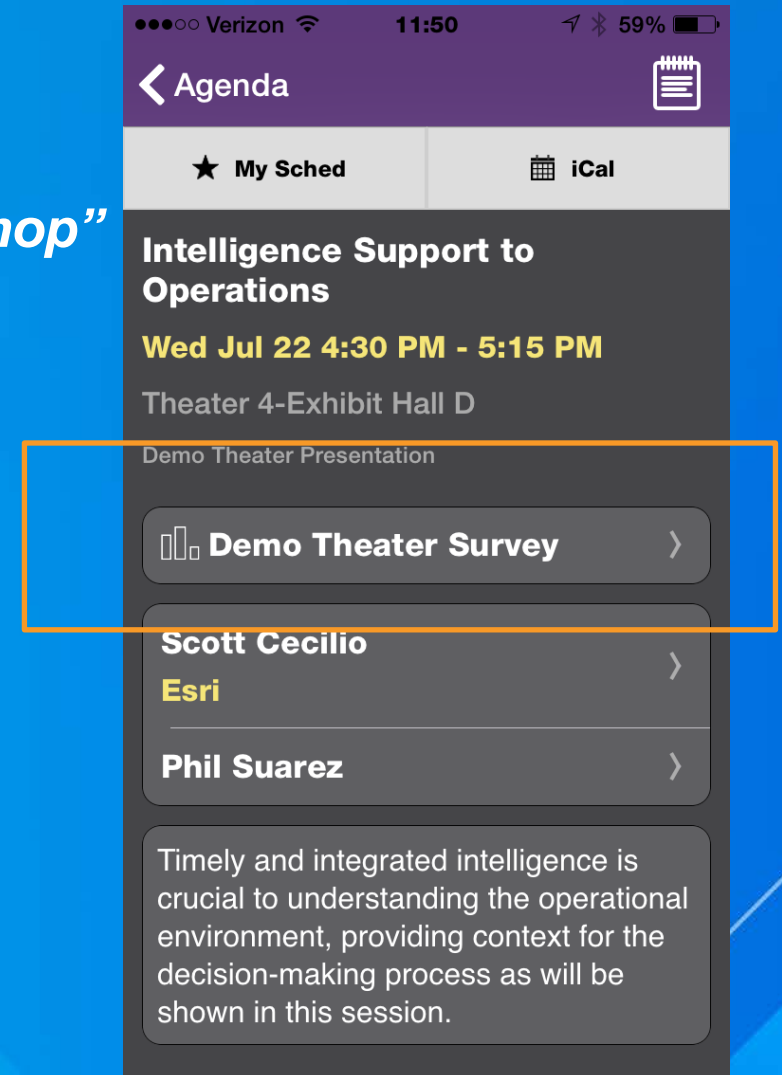

Lets build on Intelligence Workflows!
