Common Administrative Tasks

- Feature content
- Curate public groups
- On-board & off-board users
- Transfer ownership of items & groups
- Review content, groups, comments
- ...

Some Tasks May Demand Scripting

- **Batch content, group, and user management** *(e.g. remove/add users in bulk)*
- **Advanced Housekeeping**
 - **Front end** *(e.g. find/remove test items, find incomplete groups/items and alert owners)*
 - **Back end** *(e.g. find broken links and escalate, update references as hosts/services change)*
- **Custom reports** *(e.g. weekly summary reports)*
- **Managing content across multiple portals** *(e.g. sync, back/up restore items)*
